

## St. Albans and the Markyate Psalter

### Seeing and Reading in Twelfth-Century England

edited by Kristen Collins and Matthew Fisher

#### DESCRIPTION:

One of the most compelling and provocative books of twelfth-century England, the Markyate Psalter was probably produced at St. Albans Abbey between 1120 and 1140. Heralded as a high point of English Romanesque illumination, the manuscript contains the Chanson de St. Alexis. Leading scholars of twelfth-century manuscript studies explore the Psalter, understanding it through new methodologies, pursuing innovative lines of inquiry. The collection shines fresh light on a well-known manuscript, and broadens the discourse about the book and its readers.

#### TABLE OF CONTENTS:

Abbreviations

Illustrations

Introduction by Kristen Collins and Matthew Fisher

Saint Anselm's "Grand Tour" and the Full-Page Picture Cycle in the Markyate Psalter by T. A. Heslop
