

## Mural Decoration in the Theban Necropolis

edited by Betsy M. Bryan and Peter F. Dorman

### DESCRIPTION:

The tombs and mortuary temples of Thebes have proved an enduring topic of interest thanks to a quickly expanding corpus of field materials and a series of conferences devoted to the subject. This volume, the fourth in a series of occasional proceedings from the ongoing Theban Workshop, presents new research on wall decoration in the Theban necropolis. Its thirteen essays, by an international array of leading scholars, attest to the wide and varied scope of the theme.
