

The Cistercian Monastery of Zaraka, Greece

edited by Sheila Campbell

DESCRIPTION:

During the Frankish Crusader period, Cistercian monks built and developed the monastery of Zaraka in Greece for approximately forty years and were followed first by squatters, then by a seventeenth-century cemetery. The goal of this study has been to identify where the monks came from, how they lived, and why they left so suddenly.

TABLE OF CONTENTS:

List of Illustrations
Acknowledgements by Sheila Campbell
Foreword by Hector Williams
