

Grammatica et Verba

Glamor and Verve: Studies in South Asian, Historical, and Indo-European Linguistics in Honor of Hans Henrich Hock on the Occasion of His Seventy-Fifth Birthday

edited by Shu-Fen Chen and Benjamin Slade

DESCRIPTION:

This collection of essays in honor of the distinguished linguist Hans Henrich Hock ranges over nearly as many topics as the honorand himself has explored over the many decades of his fruitful career. The contributions include studies on the structure of Andamanese, agreement in Tibeto-Burman, the pre-Indo-European linguistic landscape of Europe, nasals in Sanskrit, Albanian dialectology, and the syntax of English song lyrics, to name just a few. Such scholars as Jost Gippert, Jennifer Cole, Steven Schäufele, K. V. Subbarao, and Jared Klein have helped make this volume a worthy and multifaceted tribute.
