

Apostles Today

Making Sense of Contemporary Charismatic Apostolates: A Historical and Theological Approach

by Benjamin G. McNair Scott

DESCRIPTION:

Are apostles amongst us today? According to a growing section of the church, the answer is yes. This book investigates and appraises the idea, seeking answers to the following questions in the context of the church in Britain and the USA: Is there a robust scriptural justification for the charismatic apostolate (CA) that most charismatic groups are proclaiming? How widespread is this belief and why has it become more commonplace? What kind of apostles are being advocated by influential popular teachers? What does church history and tradition have to offer to this idea? Is there a way to endorse and embrace the CA ecumenically? Does the CA have a future in the universal church? These are important questions to answer for the sake of the church's mission and health.
