

## Handbook of Sandplay Therapy

by Barbara A. Turner

### DESCRIPTION:

This is the revised edition of the classic Handbook of Sandplay Therapy, now with color photos embedded in the text and a linkable index. The choice to publish the revised edition as an eBook was determined by the importance of the photos. They appear here in full color in the text where they are discussed, a feature that was not possible in the print edition. Additionally, each case or vignette is available at the end of the book for review of the client biography and for tracking the process of each case. Another wonderful feature of this format is the linking between the Table of Contents, the Index, and client case material. It is all at our fingertips.

Used by mental health clinicians around the world, Turner's Handbook is now in six languages.

### CONTRIBUTORS BIOGRAPHIES:

Barbara A. Turner, PhD, is a mental health clinician who lives in Northern California. Known for her penetrating understanding of Jungian Sandplay therapy, she teaches and consults with clinicians around the world.
