

The Fleury Playbook

Essays and Studies

edited by Thomas P. Campbell and Clifford Davidson

DESCRIPTION:

Growing out of a symposium on the Fleury Playbook at the International Congress on Medieval Studies, this book includes essays from the symposium, as well as additional papers written by scholars whose specialties were not represented at the conference. Each essay covers a unique topic in the study of the Playbook, utilizing a diverse set of methodological tools and interdisciplinary approaches for subjects which have not heretofore received adequate scholarly attention. The topics at hand are each of significant interest to the field at large.
